

AQUA MOSAIC

Aqua Mosaic Manufacturing Certification

- CE Declaration of Conformity, compliant with EU Construction Products Directive 89/106/EEC. This means Aqua Mosaic tiles are covered by a European harmonised standard for which a European Technical Assessment has been issued, ensuring they are manufactured to the highest European quality standards.
- Quality management system complies with International Standard ISO 9001:2008. This ensures that Aqua Mosaic tiles consistently meet our customers' requirements whilst quality is being constantly maintained.
- Environmental management system complies with International Standard ISO14001:2004, allowing us to regularly improve and minimise our environmental footprint.
